

Wheatfield Commons Open House

Wheatfield Commons, a new DePaul Senior Living Community located at 3920 Forest Parkway in Wheatfield, New York, hosted an open house in December. The 55,000-square-foot senior living community provides the highest quality assisted living and memory care accommodations and services, and is now accepting new residents.

Wheatfield Commons offers gracious, single-floor living in a well-appointed setting. The community features spacious and furnished suites with a choice of floor plan and fully equipped bathrooms in every resident room.

Close to shopping, restaurants and places of worship, Wheatfield Commons is nestled in a park-like suburban setting with inviting grounds and courtyards.

A covered front porch greets residents and visitors as they enter a warm and inviting community. Welcoming living areas with fireplaces and beautifully decorated dining areas are all part of an accommodating, enriching atmosphere where residents receive the highest quality services and care. A cozy family dining room is available for private use and special occasions, and individual mailboxes are also provided.

“At Wheatfield Commons, we strive to enhance each resident’s quality of life by providing engaging activities, a supportive and caring staff and personal care services that promote independence and dignity,” said Administrator Kathy Hyland-Dion.

Wheatfield Commons provides seniors with a lifestyle for their future, offering a personal approach to delivering support and services while encouraging family members to be actively involved in the care of their loved ones. Staff work closely with residents and family members to develop a personalized approach to delivering support and services which appropriately meet each resident’s needs.

DePaul is committed to enhancing quality of life for its residents by providing the comforts of home and personal care services in a supportive environment that

promotes independence. In addition to Wheatfield Commons, DePaul currently cares for over 1,700 seniors at five senior living communities in New York state, 11 in North Carolina and one in South Carolina.

For more information about Wheatfield Commons, please contact Administrator Kathy Hyland-Dion at (716) 475-7600, at kdion@depaul.org or visit us on Facebook.

Development Updates

Construction continues on Packet Boat Landing, a 60-unit project for income-eligible tenants in Lockport, New York. Each one-bedroom apartment will feature a fully-equipped kitchen with a range, refrigerator and microwave, and a wall-mounted TV including basic cable service as well as in-unit storage. Heat, air conditioning, hot water and electric will be included in the rent and community laundry facilities will be available at no cost.

The name ‘Packet Boat Landing’ is derived from the packet boats used on the Erie Canal and Barge Canal system in New York state during the 18th and 19th centuries. Packet boats can still be rented and are used on the canal today. The project is on track for an early 2018 opening.

DePaul has also broken ground on Skybird Landing, a 60-unit apartment

community in Geneseo, New York. Consisting of six two-story wood frame buildings featuring both one- and two-bedroom apartments for income-eligible tenants, the complex is named for the warplanes which fly during the annual airshow at the village’s National Warplane Museum. Construction is anticipated to be complete in late spring of 2019.

In both sites, DePaul will have on-site housing specialists who will be versed in supportive services provided in the region

so that linkages can be made as needed between tenants and resources that will assist tenants in living independently. Linkages can be made for services such as medical appointments, health and wellness supports, social supports, financial planning and assistance. A van will be on-site to assist tenants in attending appointments as needed, and assist tenants in getting to stores and services.

Both locations will also feature artwork that pays homage to the history of the region.

year's NYSAFAH Not-For-Profit Developer of the Year!

The award is presented to a "not-for-profit organization that demonstrates excellence in either the development of affordable housing or the delivery of services to residents." This is a tremendous honor for DePaul and a testament to the commitment and dedication of DePaul employees who provide the highest quality housing, care and services each and every day.

Founded in 1998, NYSAFAH is the trade association for New York's affordable housing industry and the nation's largest affordable

housing trade group. Nearly 400 NYSAFAH members are responsible for most of the affordable housing built in the state with federal, state and local subsidies.

DePaul now operates over

700 affordable housing units in New York state.

Many thanks to our development partners, but most importantly to DePaul staff who make a difference every day!

Carriage Factory Apartments Named Network Residence of the Year

DePaul's Carriage Factory Apartments were selected as the 2017 Network Residence of the Year by the Supported Housing Network of New York! The award is presented to sites that provide permanent supportive housing with services offered on site.

The 71-unit Carriage Factory Apartments opened in Rochester, New York in December 2014. DePaul transformed the over 100-year-old Cunningham Carriage Factory into studio, one- and two-bedroom loft apartments for income-eligible tenants.

Villas at Rolling Ridge Expanding

The Villas at Rolling Ridge, a DePaul Independent Senior Living Apartment Community, located at 695 Mount Olive Drive in Newton Grove, North Carolina are expanding! Construction has begun on 12 more spacious, one-bedroom, single-level apartments that include fully-equipped kitchens, trash removal, laundry hook-up, individually controlled heating and air conditioning and 24-hour emergency maintenance. They are also pet-friendly.

Conveniently located near restaurants, grocery stores and places of worship, the Villas at Rolling Ridge feature wall-to-wall carpeting, ceramic tile, and ample closet space, as well as an inviting porch and patio. The expansion will bring the total of independent senior living apartments at the Villas at Rolling Ridge up to 20.

For more information about the Villas at Rolling Ridge, please contact Administrator Laura Anderson at (919) 894-3001 or at landerson@depaul.org.

Sixth Annual Holiday Hoops Tournament

DePaul's Recreation Department recently hosted the Sixth Annual Holiday Hoops Tournament at Buffalo Road in Rochester, New York. Players from DePaul, the Finger Lakes Developmental Disabilities Service Office (FLDDSO) and East House participated in a three-game, round-robin format tournament.

"Teamwork, positive attitudes and good sportsmanship were on display at all times. The Holiday Hoops tournament is a great way to break up the holiday season with a little friendly competition!"

– Recreation Director Dan Charcholla

Pictured right is the winning team including Danita Forney (Neighborhood of the Arts Apartments), David C. (Community), Cam Lauchie (West Main), coach Bill, Chad W. (Community), Jerry S. (FLDDSO) and Patrick H. (Ridgeview Commons).

World of Inquiry Tours Upper Falls

Students from World of Inquiry School #58 visited DePaul's Upper Falls Square Apartments, currently under construction in Rochester, New York. The visit was part of a Career Intensive Program that focuses on exposing students to different careers and meeting professionals working in the Rochester area. Students chose to investigate the architecture and construction fields, visiting Rochester Institute of Technology as well.

Thank you for visiting!

Pictured here at the fundraiser luncheon are Doug George (Rochester View Apartments), Tracy Champlin (Lyell), David Corsall (Rochester View Apartments).

DePaul Celebrates Compeer

Several DePaul Mental Health clients recently attended the annual Compeer fundraiser as part of an outing with DePaul Recreation. Compeer develops, delivers and supports model programs that inspire and engage communities through the power of volunteer friends and to improve the quality of life for adults, children, and families who strive for good mental health.

At DePaul, clients living with a psychiatric disorder can be linked with a peer who provides friendship, companionship and support. In addition, Compeer volunteers teach programs on cooking, budgeting and social skills.

The speaker at this year's Compeer fundraiser was retired Buffalo Bills player Steve Tasker who spoke on the importance of volunteering and building relationships.

Project Thank You 2017

Clients and residents throughout DePaul were the recipients of much generosity during the 2017 holiday season. Many thanks to DePaul staff members, scout troops, schools, places of worship, community organizations, businesses and individuals who came together to bring joy to all. Everyone who shared their time, talents and gifts with those in our care in New York, North Carolina and South Carolina made a tremendous difference!
