

The DePaul family has always worked hard to make a difference for our people and our communities. In these unprecedented times, we are forever grateful for the countless acts of humanity that raise our spirits and make each day brighter. We hope you'll join us in celebrating the good that we see at DePaul, as we navigate this journey together.

Caring Matters

We are ever so grateful for the notes of appreciation from loved ones of those in our care letting us know what our dedicated, wonderful employees mean to them. We are proud to be the next best thing to one's own family!

Wish You Were Here

While circumstances may be keeping residents and families from visiting one another, they're not letting that stop them from letting each other know how much they are loved and missed.

Seniors at Twelve Oaks in Mt. Airy, North Carolina have been using good old-fashioned post cards to stay in touch with family members; a resident at Twelve Oaks received a sign from her Easter Seals family to make sure she knew how much she's missed, and a resident from Wexford House in Denver, North Carolina received a window visit from her daughter on her birthday while another resident enjoys a bouquet of flowers sent from family!

Bingo Must Go On

There's just no stopping bingo! Staff at DePaul sites across the agency have found a way to make the favorite pastime possible while social distancing!

Busy Bodies

DePaul's seniors soaking up summer and keeping active and engaged with everything from gardening and bocce ball to porch sitting and morning exercises!

Pictured above, a resident at Dayspring of Wallace in Wallace, North Carolina enjoys time on the porch; residents at Wheatfield Commons in North Tonawanda, New York, and Glenwell in Cheektowaga, New York, flex their green thumbs; residents at Westwood Commons in North Chili, New York, play bocce ball on the lawn; residents at Horizons in Canandaigua, New York and at Westwood Commons participate in morning exercises, and a resident at Dayspring of Wallace shows off a cucumber he grew in his garden plot!

DePaul Cares

A friendly competition at Twelve Oaks in Mt. Airy, North Carolina, resulted in a big win for all!

Staff member Austin Shiver (pictured on left) challenged different teams at the senior living community to a food drive during the month of May. A little over 1,500 items of food were collected by staff and delivered to The Shepherd's House, a local homeless shelter. The winning team was Melissa Mhlanga and Brandy Ball (pictured on the right). Several weeks ago, The Shepherd's House came with signs of encouragement in the windows at Twelve Oaks! What an awesome way to pay it forward!

Overflowing with Gratitude

The outpouring of donations of support from families and community members in recent months has truly been overwhelming. From the food and cards to acts of service, donations of personal protective equipment, and much more, we are beyond grateful!
